

Monthly Basic Membership Dues Increase –

Reminder that the per capita increase set forth at the 38th U.A. Convention held in August of last year calls for another increase in basic dues.

This increase is effective January 1, 2013 and results in an increase to the basic membership dues. The new monthly amount is **\$33.25**.

In addition, the Per Capita has been raised for 2014, and 2015 so please plan accordingly.

Notices will follow later on the specific amounts and effective dates.

Any grandfathering of dues has been done in 2012, based on criteria outlined by the U.A. There is no additional grandfathering of dues expected at this time.

You may contact the Dues Department for the specific amount you owe.
