Legislative Lobby Training

Tuesday, February 9th, 5:30-7:30 P.M.

*South Seattle Community College, Georgetown Campus
6770 East Marginal Way S, Building E
Seattle, WA 98108*

Critical decisions will be made at the State Legislature in the coming months about funding cuts and programs that will impact the lives of working people for years to come. We need your voice in Olympia to be heard over the insurance companies and corporate lobbyists seeking to undermine critical programs for working families. Please join us on February 9th for updates from the Washington State Labor Council's Legislative and Political Staff to develop new skills to effectively lobby legislators and build coalitions with others lobbyists in your district.

All levels of experience are welcome and encouraged to attend, the training is free and dinner will be provided for all who RSVP by February 8th. We hope you can join us. Please contact Lily Wilson-Codega at (206) 650-5503 or lily@mlkclc.org for more information or to register for the training.
